Bill -

I just left you a VM at your office. My call concerns our effort to confer on leave to file a response 28 pages in length. Local Rule CV-7(e) limits the length of responses to dispositive motions to twenty (20) pages without authorization from the Court. As you know, Defendants' Motion was accompanied by four affidavits, which in turn attached hundreds of pages of exhibits. These exhibits included several complicated and voluminous organizational codes, rules, regulations, bylaws, charters and constitutions, many of which purport to incorporate one another. We are filing a motion for extension of the page limit to request the Court allow us to file a response with approximately eight (8) additional pages in length.

Do you oppose our request to extend the page limit in that regard? if we do not hear back from you this afternoon we will indicate we tried to confer without success. Thank you for your consideration.

Tim
