As requested, I believe Lisa Mak from our office has already sent out what you had requested which I have enclosed herein.

We are sensitive to the strain you and your client must be under as a result of the situation with SCA and I trust this meets your requirements.

Kind regards,
Scott

Raj and Kelly -

Per my phone conversation with Raj, I confirm again that IC has received notification today that the funds have been released from London to IC's account via wire transfer. We are therefore waiting for confirmation of the funds arriving from our bank. As it was the end of the business day in London when they notified us, this may be the cause of some delays in the process, though we anticipate hearing from our bank early next week, possibly Monday. Upon receiving the bank confirmation, we will then wire the funds directly to Lance's account. I will keep you both posted.

Regards,
Lisa
