Mark,

On behalf of the crew at ESIX, we wanted to congratulate your team for making it happen for the 4th straight year. I thought you had strong teams in the past, but never have seen such a display of strength from the other eight riders. We know the preparation for this success story requires a 100% commitment from not only the riders, but your staff as well. Well Done!

We will contact SCA and begin facilitating the collection process as soon as possible. Furthermore, lets discuss your plans moving forward with Lance when the dust settles.

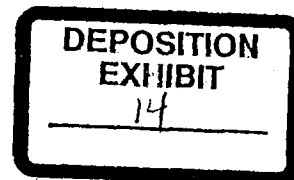

I hope Michelle and William are doing well and look forward to speaking with you in the near future.

Best Regards,

Terry J. Michelitch
